Application of Global Crossing Local Services, Incorporated for a Certificate of

Telecommunications Services and for Flexible Regulatory Treatment
Docket No. 1999-329-C

Dear Mr. Terreni:

The South Carolina Office of Regulatory Staff ("ORS") has reviewed the Global Crossing Telemanagement, Inc.'s and Global Crossing Local Services, Inc.'s tariff filings requesting increases to certain maximum rates within the Company's tariffs. The maximum rate increase is not a general rate increase and does not impact the general body of ratepayers. Also, the Company's customers have been sent notice at least 30 days prior to the rate increase. Therefore, ORS has no objection to the approval of these filings.

Sincerely,

C. Lessie Hammonds
